BIO

RAISED IN THE BOOTH

Tury started DJing at eight, watching his father, 2ro, run the booth at events across Miami. He played his first private event at fourteen and held a residency at Super Wheels Skating Center from sixteen to twenty.

At twenty-two he moved into Miami nightlife. More than four years with The Unkwn Group put him in the booth at E11EVEN, DAER, MAD Club, Pilo's and The Dirty Rabbit, with long residencies at Blue Martini and Martini Bar, and took him on the road, including being flown to Los Angeles to DJ private events for Becky G and Chiquis.

His sets move between Latin, house, hip-hop, R&B, Caribbean and Top 40. In 2025 he won the Spin For A Cause DJ Battle (Kids In Distress, Fort Lauderdale). He hosts The Vault Radio, his own mix series on SoundCloud and YouTube.

I CREATE THE VIBEZ, Y'ALL CREATE THE MOVIES.
